Dear Sir:

Pursuant to 37 C.F.R. § 1.56 and § 1.97-1.99, Form PTO-FB-A820 (aka 1449) is enclosed for consideration by the Examiner. Pursuant to the Official Gazette Notice of August 5, 2003, only copies of foreign patent documents and non-patent literature are provided.

On information and belief, the undersigned provides additional information concerning the "PET Solutions" brochure. It is believed that Captive Plastic Company used sand or bead blasting only, in order to make the "finely textured mold surface."

Respectfully submitted by:

John H. Hall
